

National Level Crossing Safety Strategy and Work Plan

Neil Scales OBE

Director-General, QLD Department of Transport and Main Roads

Chair, National Level Crossing Safety Committee

The Department of Transport and Main Roads acknowledges the traditional owners and custodians of this land and waterways.

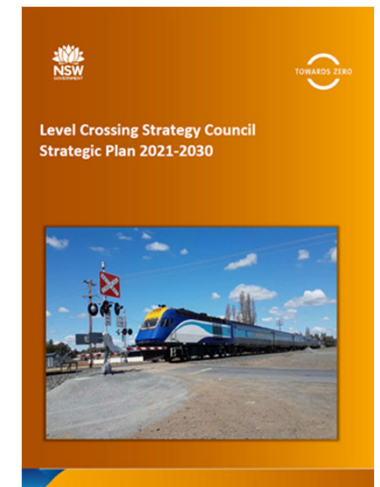

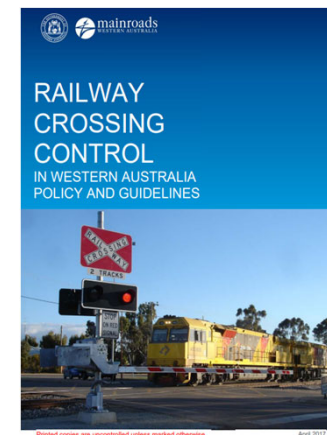

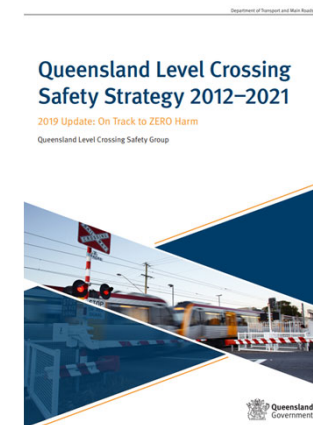

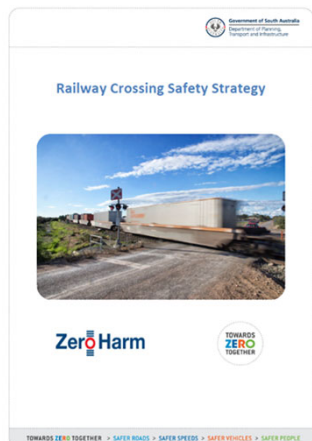

We also acknowledge their ancestors and Elders both past and present.

The Department of Transport and Main Roads is committed to reconciliation among all Australians.

ON RED
SIGNAL

The National Level Crossing Safety Committee and strategy

Strategy principles

- Complement jurisdiction work programs
- Focus on initiatives where national approach can leverage work at jurisdictional level
- Small number of high impact initiatives with clear and identifiable benefits
- Evidence based
- Continuous stakeholder engagement
- Safe systems framework

Three year Work Plan

- Technology and innovation
- Education and enforcement
- Data improvement and knowledge management
- National coordination

Looking ahead

Thank you and stay connected
