

If you feel qualified enough to remind a passenger that train seats are not for weary feet...

...you can ask a workmate

If you feel  
qualified enough  
to explain the  
benefits of a quiet  
carriage to those  
noisy people...

...you can ask  
a workmate

**RAIL RUOK?**<sup>TM</sup> | TrackSAFE  
Foundation

If you feel  
qualified enough  
to debate why  
the local train is  
actually faster than  
your neighbour's  
new car...

...you can ask  
a workmate
