This is a great activity to get the conversation flowing during your Rail R U OK? event or activity. All you need to do is print and cut out the bingo cards.

## HOW TO PLAY

You can play this game with up to 30 people. If your group is larger than that, consider dividing participants into smaller teams of equal size.

When you're ready to play, give each participant a 'Conversation Bingo' card and pen. Explain that the group has 30 minutes to mingle, introduce themselves, and use the conversation starters on the card to have conversations with others. They must put the name of who they asked in the corresponding conversation starter box.

The first person to fill in four boxes across or down yells "Conversation Bingo!" and the game is over.

You may like to get participants to share how they feel after getting to know one another better. You can emphasise that when we get to know each other we build trust and have meaningful conversations that help others open up about life's ups and downs, big and small. Also remind everyone that it's important they keep the conversations going and make asking 'are you OK' a part of their everyday.
